The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/14/08 has been entered.

The rejections based on Fang et al. alone (claims 1-3 and 5-13 are rejected under 35 U.S.C. 102(a) as anticipated by Fang et al. (564) and claim 4 is rejected under 35 U.S.C. 103(a) as obvious over Fang et al. (564)) are all withdrawn.

Claims 1-13 are rejected under 35 U.S.C. 103(a) as obvious over Fang et al. (564) in view of Portwood et al. (008) for the same reason set forth in the previous office action which are incorporated herein by reference.

Claims 1-3, 5-7 and 10-12 are rejected under 35 U.S.C. 102(b) as anticipated by Portwood et al. for the same reason set forth in the previous office action which are incorporated herein by reference.

Claim 4 is rejected under 35 U.S.C. 103(a) as obvious over Portwood et al. (008) for the same reason set forth in the previous office action which are incorporated herein by reference.

It is to be noted that applicants have not presented any new arguments with respect to the rejections applied, thus the rejections are maintained for the reasons defined in the previous action.

All claims are drawn to the same invention claimed in the application prior to the entry of the submission under 37 CFR 1.114 and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the application prior to entry under 37 CFR 1.114. Accordingly, **THIS ACTION IS MADE FINAL** even though it is a first action after the filing of a request for continued examination and the submission under 37 CFR 1.114. See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
